There are wonderful places to visit within an hour's drive of Somerset and Pulaski County. Country music fans will appreciate RENFRO VALLEY, home of the world famous Barn Dance Show. Lights are abundant during the Christmas season. Visit BIG SOUTH FORK SCENIC RAILWAY in historic Stearns, where you can take a 16-mile round-trip train ride. The guides at Sheltoewe Trace Outfitters (near CUMBERLAND FALLS), make whitewater rafting, canoeing or kayaking on the forks of the Cumberland River an outdoor water adventure worth remembering. See the world's largest overshot waterwheel in action at MILL SPRINGS MILL.
